Dear Randy

I was pleased at a meeting of the Central States Numismatic Society on May 6, 2005 to have a numismatic professional who knows the ~~early~~ American Colonial paper money field <sup>offer to</sup> volunteer to print or participate in printing the Fifth Edition of the Early Paper Money of America. He probably thinks it is a privilege. ~~He~~ I have known him for a long time and he has been in business since 1979. His name is:  
Stuart Levine.
